## Annexure-II

### SUMMARY STATEMENT ON PROGRESS MADE BY MUNICIPAL AUTHORITIES IN RESPECT OF IMPLEMENTATION OF SCHEDULE II [RULES 6(1) AND (3), 7(1)]

#### 1. COLLECTION OF MUNICIPAL SOLID WASTES COMPLIANCE STATUS

- House to house collection facility is done in 1 division. Further, household survey is underway in 1 division to start house to house collection.
- RCC bins, dustbins, Trolleys, dumper placer/loader and twin litter boxes of different capacities are installed at various specific locations accessible to the users in the Town for collection of wastes.
- One division has incinerator in the respective hospital for disposal of Bio-medical waste.
- Weekly checking of Slaughter house waste and demolition waste (*malba*) by DUDA in one of the divisions. While one division have instructed the respective private contractors to clean the demolition wastes (*malba*) by themselves.

#### 2. SEGREGATION OF MUNICIPAL SOLID WASTES COMPLIANCE STATUS

- The Municipal Council Itanagar has conducted meeting with the stakeholders to discuss about the MSW and its management in Capital Complex.

#### 3. STORAGE OF MUNICIPAL SOLID WASTES COMPLIANCE STATUS

- Storage facilities like RCC bins and containers of different specifications/sizes are established and put up in specific areas by taking into account the quantities of wastes generation and population densities.
- RCC bins, dustbins, Trolleys, dumper placer/loader and twin litter boxes of different capacities are installed at various specific locations accessible to the users in the Town for collection of wastes.
- The wastes are handled manually due to constraints. However, it is carried out under proper precaution and the safety of the workers is taken care of.

#### 4. TRANSPORTATION OF MUNICIPAL SOLID WASTES COMPLIANCE STATUS

- The storage facilities are attended daily for clearing of wastes.
- Vehicles like dumper placer, animal cart, tricycle, refuse collector, TATA Ace with segregated compartment and tipper trucks are used for transportation of wastes to the dumping site.
- Barring some trucks most of the other transportation vehicles do not have waste covering facilities during its transportation.

5. PROCESSING OF MUNICIPAL SOLID WASTES  
COMPLIANCE STATUS

- Department of UD&H had constructed one waste processing and disposal facility at Chimpu in Itanagar that is operational wherein 50 MT/day of wastes are composted.
- Two of the divisions follow vermicomposting and one division follows pelletization.
- Vermicomposting proposal is underway in one division.
- MSW plant is under construction and is likely to complete next year in one of the divisions.

6. DISPOSAL OF MUNICIPAL SOLID WASTES  
COMPLIANCE STATUS

- Excluding the one waste processing and disposal facility that is operational at Chimpu in Itanagar wastes of all other divisions are disposed in open dumping ground. No landfilling is carried out.
- Landfill site is under construction in one of the divisions.

g/c

Annexure-III

SUMMARY STATEMENT ON PROGRESS MADE BY MUNICIPAL AUTHORITIES IN RESPECT OF IMPLEMENTATION OF SCHEDULE III [RULES 6(1) AND (3), 7(2)]

- A Committee headed by the Deputy Commissioner, Capital Complex is constituted to identify dumping/landfill sites for the Capital region.
- The dumping sites are located away from habitation clusters, forest areas, water bodies, monuments, national parks, wetlands and places of important cultural, historical or religious interest.
- We have written to all the Deputy Commissioners of the State to expedite the process for identification of landfill sites.
- We have also written to the Chief Municipal Executive Officer of Itanagar Municipal Council to identify and select a site for landfill site.
